

YARD BEHAVIOUR

Whole school yard rules are important for the safety of all students in out school. The consequences for breaking school yard rules are as follows:

1. Walk , talk, warning
2. Time-out at lunchtime (parent notice)
3. Time-out for extended period plus parent letter / meeting
4. Restricted play
5. Exclusion from yard play

Severity
clause

These consequences apply over 1 term of schooling.

A serious breach of the safety / respect rules could lead to the suspension of a student from school until a re-entry conference takes place with the students and parent(s)

TIME-OUT

Time-out will involve students who have breached the Yard rules, needing to sit and reflect upon their behaviour during lunch time play.

The student may be required to sit alone in an outside area, in the library or outside the principal's office.

Infringements that would lead to a student having time-out are:-

- refusing / disobeying a staff member's directions
- deliberately damaging school or another's property
- fighting
- harassment / bullying
- possessing / throwing dangerous objects
- stealing
- tree/ roof/ wall climbing
- offensive behaviour
- going out of bounds
