SCHOOL UNIFORM POLICY

The wearing of the complete and correct uniform is actively encouraged at the Gumeracha Primary School. It is expected that students will wear the appropriate clothing at all times.

The wearing of a school uniform has many positive aspects. These include:

- ✓ **Self confidence** – feeling good in the uniform they wear promotes pride in looking and feeling good. It also promotes relaxation and therefore children are more receptive to learning. Studies have shown that schools, which actively encourage the correct school uniform to be worn, perform better than those, which do not.
- ✓ **A sense of belonging** – uniforms promote unity. When children wear the same uniform there is less competition. Uniforms unite children into a team environment.
- ✓ **Safety** – the uniform identifies the student as part of the school
- ✓ **Comfort** – when a child is physically comfortable they perform at a higher level. Emotionally, comfort of a uniform takes away “equality” issues by forming a bond of togetherness.

The correct school uniform can be obtained through the Uniform Shop. An order system is also available for parents who are unable to attend the opening times. A display of our uniforms can be found in the front office foyer of the main building. A second hand range of uniforms may be available. Negotiations can be made for a “lay-by” purchase of uniforms if requested.
