

READING IS OUR SECRET POWER!

BOOKWEEK 2019

Book Week Activities

We started the week by mixing up all the students into three groups. The teachers each chose one book to explore with their rotating groups. We also held an amazing race on the Wednesday afternoon, where students teamed up to crack the challenges, solve puzzles and find clues. It was just beautiful to see the way the mixed age groups worked in teams. It truly is a strength of our school. We also made macarons on Wednesday, this was a real test of our cooking skills but we were successful and everyone enjoyed eating them together.

The dress up day was good fun and so was the cake decorating. We must again thank Ms Starr for organising the cakes from the Blumberg Bakery and ensuring that there were lots of yummy treats to decorate them with. Thanks also to Mrs Martin for working with children to assemble the cakes.

Here are some of the activities in action...

Dress up day is always a hoot and we love seeing the effort students and families go to each year.

Book Week Prize Winners

This years poster winners were... **Trinity, Giovanni, Taia, Tony, AJ, Maddy, Maria, Skye, Jayden, Callum, Tyler, Isla, Poppy, Scarlett, Max & Nate**

CONGRATULATIONS & well done

The People's Choice first prize went to **Mecky** who
It was very popular with his peers!
